Who Completes It: Petitioner.

Distribution of Form: Original to court file, petitioner, publisher.

Accompanying Forms:

New Form/Modification: Modification; reinstated 01/09.

Modifications: Changed title to Publication Notice.

Comments: This form was withdrawn by RMC in 10/06 and replaced by CV-446. However, publication was not addressed in CV-446 so it was approved to reinstate CV-417 for Publication of domestic abuse injunction hearings.

Act 109 replaces the requirement to publish the petition when personal service is determined to be impossible, with a requirement to publish a summary of the petition. This “summary” is really a notice of hearing and does not summarize the contents of the petition itself. The required information for the summary is the name of the petitioner and respondent; and the date, time, and place of the hearing regarding the requested injunction.

About this form: This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court’s Office and a mandate of the Wisconsin Judicial Conference.

If you have additional information that does not change the meaning of the form, attach it on a separate page. The form itself shall not be altered.
